Professional Summary — Enthusiastic and dedicated Computer Science Engineering student with hands-on experience in application development. Passionate about leveraging technical skills in Dart and Flutter to build efficient and scalable applications. Strong team player with excellent problem-solving and critical-thinking abilities.

Technical Skills

Programming:	Dart, Node.js, HTML, CSS, JavaScript, Java
Frameworks:	Flutter, Express.js, GetX
Databases:	MongoDB, Firebase (Firestore, Auth, Storage)
API/SDKs:	RESTful APIs, Razorpay SDK
Tools:	Git, GitHub, Postman, Thunder Client
Other:	Firebase Cloud Functions, Hive, SQLite, GetStorage

Soft Skills

Critical Thinking, Multitasking, Time management, Team Work, Leadership, Adaptability

Internship Experience

Application Development Intern <i>November 2024 – May 2025</i>	Softflew Training Institute
<ul style="list-style-type: none">– Developed a full-featured eCommerce mobile app in Flutter with dedicated modules for Customers and Owners.– Integrated RESTful APIs in Flutter (using http and Dio), ensuring smooth client-server communication with 99% crash-free sessions.– Enhanced app security and performance by implementing mobile API best practices, input validation, and optimized local data storage using Hive and SQLite.– Created an admin analytics panel with interactive charts for user, order, and sales data.– Secured backend logic using Firebase Cloud Functions and implemented role-based access and order workflows.	

Projects

E-Commerce Mobile Application	Dec 2024 – Jan 2025
<ul style="list-style-type: none">– Developed a scalable eCommerce mobile application using Flutter and GetX for state management.– Integrated Firebase Authentication, Firestore, and Storage for secure login, real-time data sync, and product image uploads.– Implemented product listing, catalog, cart, order tracking, and online payment gateway (Razorpay).– Enabled local data caching with GetStorage for faster loading as well as offline support.	

Education

B.Tech, Computer Science Engineering <i>Expected 2025</i>	Dr. A. P. J. Abdul Kalam Technical University, Lucknow
Intermediate (2020)	Ziauddin Khan Memorial Senior Secondary School, Azamgarh
High School (2018)	Ziauddin Khan Memorial Senior Secondary School, Azamgarh

Courses & Certifications

- Certificate in Application Development, Softflew Training Institute

Extra Curricular Activities

- Attended seminar on Cryptography
- Participated in Cyber Security Awareness Program
- Participated in Web Wonder Competition at college

Languages

Fluent: Hindi, English
